

PROCEDURE OF ADMISSION

For Undergraduate Engineering, Computer Sciences & Administrative Sciences Programs.

1. The 1st merit list is announced and selected candidates are offered admission as per merit position in their chosen program(s), along with a fee voucher to pay by given due date.
2. The seats becoming available as a result of drop-outs will be re-allocated and filled through the up-gradation of candidates who have confirmed their admission by depositing dues in-time till the closing of admissions.
3. Candidates failing to deposit admission dues within the given deadline would not be re-considered for up-gradation/ inclusion in 2nd and onward merit lists.

For all other Undergraduate program (BS Mathematics, Physics, English, Psychology & International Relations)

1. The selection process for BS Mathematics, Physics, English, and Psychology & International Relations would be based on candidate's merit position in the list as per applied program.
2. Candidates failing to deposit admission dues within the given due date, would not be re-considered for admission at any stage and admission offer would be made to next eligible candidate on merit list.

NOTE: PLEASE NOTE THAT SUBMITTING INCOMPLETE, FALSE OR MISLEADING INFORMATION IS CONSIDERED SUFFICIENT GROUND FOR DENIAL OF ADMISSION AND DISMISSAL AT ANY TIME.
